The company is known to offer proven training programs in the areas of sales maximization, customer retention and personal effectiveness.

We have over 10+ years of proven track record around building competencies of individuals and organizations. Specifically, Wagons possesses a strong portfolio of bouquet training programs, besides the proven ability to offer customized training programs. We have partnered Industry leaders like **HDFC Bank, ICICI Bank, Axis Bank, Deutsche Bank, Fincare SFB, Suryoday SFB, Svasti Finance, SUD Life, TATA AIA, Bajaj Finserv, Capital First ,IIFL, Suzlon Energy, CISCO Systems ,Mercedes Benz, Mahindra, TATA Motors, TAFE, Piaggio, TIPL, AMW, Ashok Leyland, Mettler Toledo, Pernod Ricard, Infosys BPO to name a few.**

Rest assured, when organizations have a competency development related need, we work to develop a solution that works for them.

How We Are Different

- Focus is on EXECUTION and STRATEGIES to achieve results...
- Changes made are OBTAINABLE &SUSTAINABLE...!!
- Concepts are internalized through EXPERIENCE & ENTERTAINMENT (Practical Adult learning)
- Based on some of the most advanced behavioral psychologies in the world & being used by most Fortune 500 companies.

Wagons Learning Training Approach

We propose to approach any project in the following manner that encompasses –

Pretraining Support:

Wagons Learning works closely with the stakeholders and L&D to customize the training program and contextualize it to the client's business, industry, and other local specifications.

Content Development and Training Delivery

Development and delivery of customized training modules, through the approved SME and trainers.

Post training Support

Wagons provide assessments (MCQ), post-reads, role plays and pre-post training feedback if needed by the client.

Methodology:

- Methodology is high energy experiential and based on a training technology of “EDUTAINMENT”, which simply means empowering everyone with education in the form of experience & entertainment.
- Training is high-intensity intervention alternated with intervals of smaller capsules of learning and activity for experiential sustenance (domain, functional and behavioral)
- We believe that learning can be effective & retained only if it’s given in the form of experience and enjoyment.
- There will be exercises, role plays, group and solo activities, video-based discussions, scenario-based query answers, and quizzes to get the learning ingrained in the minds of the participants.
- Learnings will be implementable and result oriented. The changes are both obtainable and sustainable.
